Dear Grand Design RV Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Grand Design RV has decided that a defect which relates to motor vehicle safety may exist with the outside pullout kitchen on your recreational vehicle.

### **! IMPORTANT !**

- Your vehicle falls within the recall population.
- You should immediately schedule an appointment with your dealer to have your vehicle inspected and repaired.
- **Do Not** use the grill in your outside kitchen until the recall repairs have been completed.

#### **Why is a recall being conducted?**

On select 2018-2019 Solitude Fifth-Wheel vehicles manufactured between October 26, 2017 and May 25, 2018 with the optional outside pullout kitchen, the LP gas supply hose to the grill could come in contact with the underside of the grill. If contact were to occur when the grill is in use, the potential exists for heat damage to the LP supply line that could result in a LP gas leak and potential fire.
