Dear Grand Design RV Owner: _____

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Grand Design RV has decided that a defect which relates to motor vehicle safety may exist with the electrical circuit protection on your recreational vehicle.

! IMPORTANT !

- Your vehicle falls within the recall population.
- You should immediately schedule an appointment with your dealer to have your vehicle inspected and, if necessary, repaired.

Why is a recall being conducted?

On select Reflection 285BHTS, 287RLTS & 297RSTS Travel Trailers manufactured between August 24, 2018 and October 1, 2018, the wires to the over-current protection in-line 50 amp mini-breaker may be wired incorrectly. As a result, the circuit is not protected should an over-current situation occur. If an over-current situation (short, ground, etc.) were to occur, the circuit could overheat creating the potential for a fire and personal injury.

What are we doing about the problem? On affected vehicles, dealers will inspect the affected electrical circuit at the 50-amp mini-breaker to determine if it is wired correctly. If the circuit is wired incorrectly, dealers will re-wire the circuit correctly following the repair instructions. Grand Design dealers have been notified of this recall and have the required repair instructions available. Repair is estimated to take no more than one (1) hour. There will be no charge for this service.

What should you do? Contact your selling or nearest Grand Design RV dealer as soon as possible to schedule an appointment. If your distance from a Grand Design dealer is significant, please contact us at 574-825-9679 so we can work with you to make other arrangements to have the needed inspection completed.

What if I no longer own this recreational vehicle? Notify Grand Design either by phone: 574-825-9679, fax: 574-825-9249, or email: warranty@granddesignrv.com to inform us that you no longer own this vehicle. Please be sure to include your 17 digit VIN in all correspondence.
